

# Respect in Sport - Activity Leader Certificate

BAHD Behaviours are bullying, abuse, harassment, and discrimination and they are not just about the intent, they are also about the impact.

I am not just an activity leader, I'm a role model and mentor and I might be the only trusted adult in a young person's life.

If I see or hear about inappropriate behaviours, I need to remember these three steps: Report, Support and Keep Kids Safe!

Being a positive role model can have a life-long impact on the young people in my care.

Be the leader whose name they will never forget and leave a positive impact on their life!
